“Willingness to become as a little child and to leave the old for the new, renders thought receptive of the advanced idea.” Science and Health by Mary Baker Eddy p323:32-2

LECTURE JUNE 20th

We will be sponsoring a set of lectures, both focusing on Jesus’ most famous sermon: The Sermon on the Mount. The lecturer is Chet Manchester. The lectures will both be held on the same day, **June 20**.

LECTURE ONE

This lecture will be a youth-focused lecture called, “Hiking the Sermon on the Mount.” It will be held at a local park at 11 am on June 20. This lecture will be done while hiking! Children of all ages, and their families, are encouraged to attend.

LECTURE TWO

This lecture will be an adult-focused lecture called, “Exploring the Blessings of Jesus’ Sermon on the Mount.” This lecture will be held at 5 pm on June 20, here at the church. *Child care will be provided in the children’s room and the Sunday School for the older kids.*

READING ROOM NOTES

ANNUAL MEETING AT THE READING ROOM

The Reading Room will be hosting a marathon day on June 8, listening to the archived Periodicals Workshop (from June 6) from 10-12 and joining the Annual Mtg. by webcast from 1-2:30. Because of the short time between “events,” we will be bringing a pot luck lunch to avoid rushing out to find food in less than an hour. We welcome anyone interested to join us.

FINANCIAL SUPPORT FOR THE CHURCH

In your prayerful work for our economy, please remember your Church. For several years, despite prudent planning and careful spending, this Church has found it necessary to spend more than we have taken in. As a result, our cash reserves have been on a decline. We know that together, our prayerful support will be effective, and that we will all be led to adjust our financial support appropriately. As Mrs. Eddy writes, “In the scientific relation of God to man, we find that whatever blesses one blesses all, as Jesus showed with the loaves and the fishes,- Spirit, not matter, being the source of supply.” (*Science and Health*, p. 206)

LECTURE PREP MEETING

Join us Wednesday, **June 3 at 6:30 pm** in the church lobby for a lecture prep meeting. Each member should personally invite at least 3 adults and 3 children to enjoy the lecture activities on June 20. Also, please provide your focused metaphysical support on the ideas of receptivity, child-like thought, unity, inclusion, and the activity of the Christ.

ANNUAL MEETING 2009

Annual Meeting is June 8, 2009 at 1 pm in Boston and on the Web. For more information about the meeting and related events, go to www.churchofchristscientist.org/AnnualMeeting.
