“Living In Abundance”

Evan Mehlenbacher’s “Living In Abundance” lecture (this is the same lecture he gave in Charlotte last fall, but it’s worth listening to again as we focus on gratitude and Love meeting our needs.)

READING ROOM NOTES

For those who have treasured the 2 Anthologies of Classic Articles, we have good news: Anthology III is now in production, and we have ordered several copies for sale. When our supply is exhausted, we’ll be glad to order more, as needed. Poems and articles previously published in the Sentinel and Journal make their way into one of the Anthologies by recommendation from teachers of Christian Science who have viewed them as contributing to the healing practice. Also, be sure to join us at the Church Alive Workshop this month where we will participate in a panel discussion on Reading Rooms as part of a vibrant church.

JSH-Online is available at the Reading Room.
