LIBERAL ARTS EDUCATION for Students of Christian Science:

Principia College is an Illinois Accredited Liberal Arts College for Christian Scientists, established in 1932, whose purpose is:

“developing the power to think accurately, wisely, and with intelligent discrimination; cultivating the ability to dissect thought and discard that which is not constructive in daily living; strengthening the capacity to form high ideals and the courage necessary for standing by those ideals until they are outlined in Christian character—that is the work The Principia regards as true education.” Founder, Mary Kimball Morgan

Students major in 28 subjects, with a student-faculty ratio of 8:1, all are active students of Christian Science with nearly 20% of the students coming from 30 countries, and 92% of the cost was the average financial aid given last year. The college has a walkable core campus on 2600 pristine acres where nature abounds. For information, call (618) 374-2131, Principia College, 1 Maybeck Place, Elsah, Illinois 62028

Principia Upper School, 13201 Clayton Road, St. Louis, Mo 63131. Call (314) 434-2100

Principia high school, called the Upper School, was founded in 1906, is both a boarding school and a day school for young Christian Scientist in grades 9-12. Students come from nearly 30 states and a dozen countries with students forming friendship from many parts of the world. Dedicated teachers, love what they teach and their students, and instill a zeal for learning. Athletic, extra-curricular, and community service opportunities provide strong character development education. All teachers, staff, and students are practicing Christian Scientists, uplifting the entire high school experience and strengthening the students' commitment to Christian Science.
