"Know then, that you possess sovereign power to think or act rightly, and that nothing can dispossess you of this heritage and trespass on Love. If you maintain this position, who or what can cause you to sin or suffer?"

Guest speaker: Kevin "Keb" Bemis, Government Relations Counsel for the Christian Science Committee on Publication

"The lonely precincts of the tomb gave Jesus a refuge from his foes, a place in which to solve the great problem of being." Here, the living light of Love replaced the darkness from the tomb, and has carried his teachings forward thousands of years for us to live by. "... He proved Life to be deathless and Love to be the master of hate." (Mary Baker Eddy, S&H 44:5-7, 9-10) What made Jesus exceptional was his ability to love impartially and universally in the way God loves. It was this same love that cleansed the lepers, healed the sick and raised the dead. Love forever washed away the sorrow and grief of his crucifixion. Easter is our celebration of Love!
