SUNDAY SCHOOL

The Sunday School will now have a few teachers available at church for in-person Sunday School for any age. A few teachers will also continue to provide online classes for any age. If you need a zoom link for your class or have any questions, please contact Adrienne Gilman, adrienne.h.gilman@gmail.com.

BENEVOLENCE FUND

We gratefully accept donations to the Benevolent Fund at any time. You can use the envelope in the pew rack, donate online or send a check by mail. Please note "Benevolence Fund" in the comments or on check memo.

SUMMER PICS

Many Christian Science camps still have openings! Send us pictures from your summer camp or activity! We will put them in the newsletter.

NEW COMMITTEES

We would like to take this opportunity to thank each Member and Chairman for your willingness to serve. The new committees will begin on July 1.

PAYPAL LINK

Did you know our website includes a link for electronic donations? Please visit cscharlotte.com for donation convenience.

We continue to hold in-person Sunday services at 10:30. We welcome everyone back to church and love seeing your smiling faces. Often after church, a group meets for lunch a block away at the Dilworth Grille. All are welcome to join!

"No power can
withstand divine Love."

READING ROOM

Saturday curbside pickup has been discontinued. If you need to buy materials outside of church service times, contact one of our new librarians, Susan Ford, shford18@gmail.com or Hilary Waller, wallerahvf@comcast.net, to make arrangements. You can also call 704-332-2845. Full-text Quarterlies are in high demand! Please let us know if you expect to purchase monthly so we can plan accordingly. (If we run out, we're able to provide printed copies of each week's Bible Lesson.) Looking for uplifting summer reading? Stop by the table in the foyer and choose from our selection of biographies of Mary Baker Eddy.

A big thank you to Ginny Pike and Bonnie Case for their many years of dedicated service as our librarians, including shepherding our Reading Room operations through all the changes of the past two years.
